

## MAT CONCEPTS IS LEEDING THE WAY

Our Gothic Mat Limited™ and Gothic Mat™ products contribute to environmental sustainability and comply with the LEED Green Building Rating System. Our products have received Green Label Plus Certification from The Carpet and Rug Institute (CRI) and are manufactured to ISO 9002 certification standards.

Our Gothic Mat Limited™ and Gothic Mat™ products can contribute up to **7 LEED points** as addressed below.

### Application Type: Loose Lay Walk-Off Matting

**4 points**

#### Low Emitting Materials Carpets EQ 4.3.

- Gothic Mat Limited™ and Gothic Mat™ products have received Green Label Plus Certification from The Carpet and Rug Institute (CRI). This means our products meet low emission standards for total volatile organic compounds (VOC's).

**1 point**

#### Indoor Chemical & Pollutant Source Control Credit 5.

- This section refers to credit for entryway walk-off mat systems at least 6 feet long. Gothic Mat Limited™ and Gothic Mat™ are qualifying products.

**1 point**

#### Materials Credit 4.1: Recycled Content.

- Gothic Mat Limited™ and Gothic Mat™ products contain 13% post-industrial recycled content and contribute toward this credit.

**1 point**

#### Materials Credit 5: Local/Regional Materials.

- Installations/deliveries within a 500-mile radius of Upper Marlboro, MD contribute toward this credit. Major metropolitan areas include:

**1 point**

Washington, D.C.  
Baltimore, MD  
Philadelphia, PA

Pittsburgh, PA  
New York, NY  
Buffalo, NY

Cleveland, OH  
Richmond, VA  
Charlotte, NC

Johnson City, TN  
Bristol, TN  
Columbia, SC

### Application Type: Direct Glue Down Walk-Off Matting

**6 points (4+2)**

#### Low Emitting Materials Adhesives and Sealants EQ 4.3.

- Mat Concepts uses Henry's Fastpro Adhesive #451 for its direct glue down installations. The VOC content of this adhesive is less than the current VOC content limits of the South Coast Air Quality Management District (SCAQMD) Rule #1168.

**1 point**

#### Materials Credit 4.1: Recycled Content.

- Henry's Fastpro Adhesive #451 contains post-industrial recycled content and contributes toward this credit.

**1 point**

### Application Type: Cleaning of Walk-Off Matting

**7 points (4+2+1)**

#### EQ Credit 3.3: Purchasing of Sustainable Cleaning Products.

- GS-37: Mat Concepts uses a Green Seal product in the cleaning of its matting.
